CO2 emission stories

countries emiting highest..	Total CO2 emission from 1975 to 2020	Total co2 emission by continents	CO2 due to internal reasons	CO2 emission due to external reasons	continents contribution due to c..	continent contribution due to cement CO2 e..	continent contribution due to gas CO2 emissi..	continent contribution due t..
--------------------------------	---	-------------------------------------	--------------------------------	---	---------------------------------------	---	---	-----------------------------------

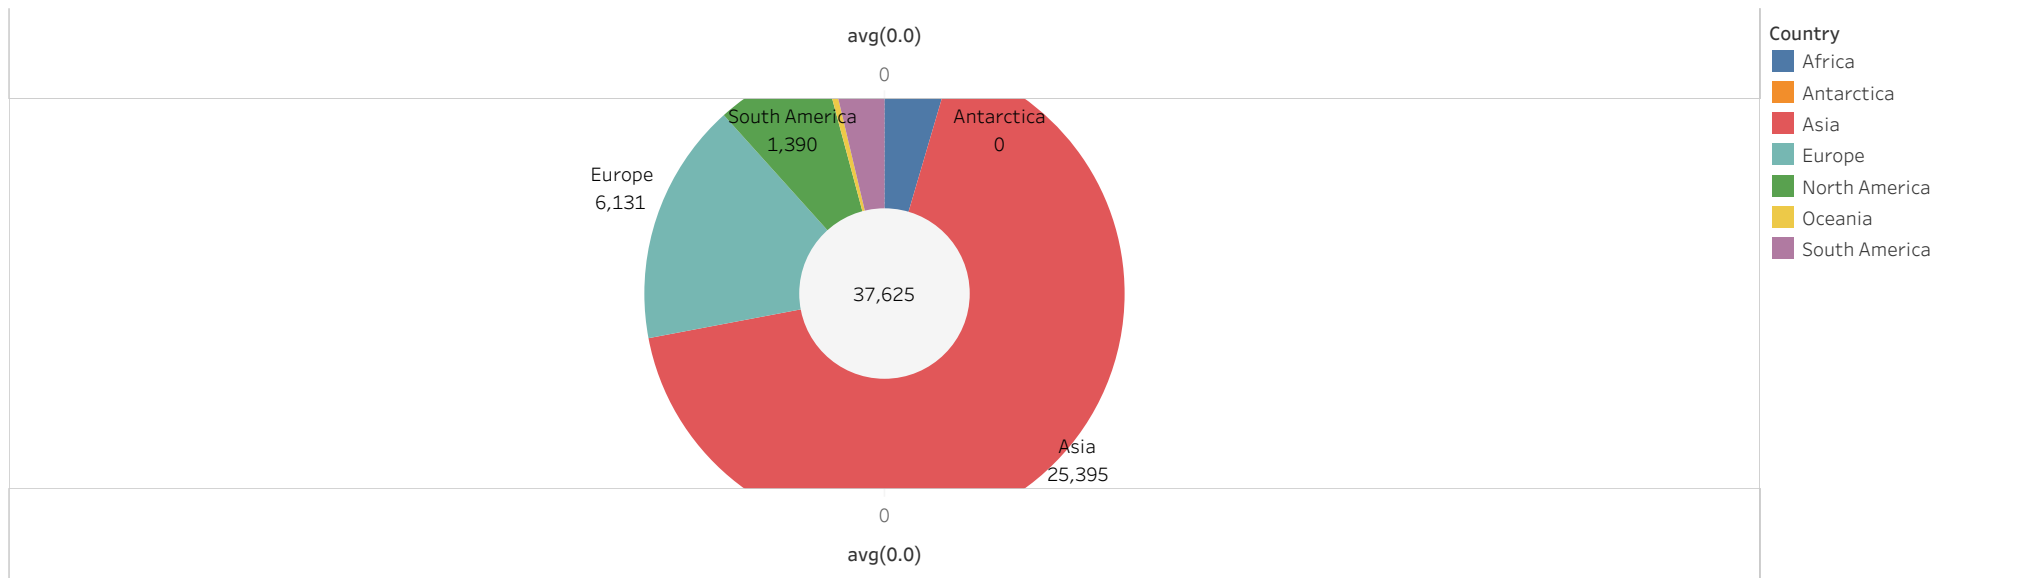

CO2 emission stories

Total CO2 emission from 1..	Total co2 emission by continents	CO2 due to internal reasons	CO2 emission due to external reasons	continents contribution due to c..	continent contribution due to cement CO2 e..	continent contribution due to gas CO2 emissi..	continent contribution due to flaring co2 em..	continent contribution is due..
-----------------------------	----------------------------------	-----------------------------	--------------------------------------	------------------------------------	--	--	--	---------------------------------

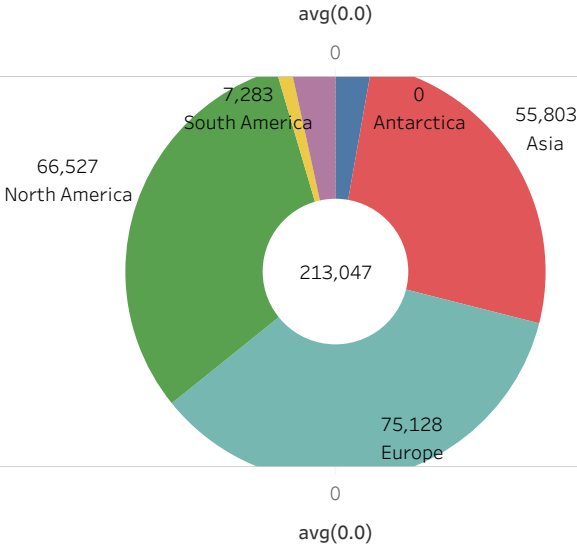

CO2 emission stories

Total co2 emission by con..	CO2 due to internal reasons	CO2 emission due to external reasons	continents contribution due to c..	continent contribution due to cement CO2 e..	continent contribution due to gas CO2 emissi..	continent contribution due to flaring co2 em..	continent contribution is due to oil co2 emiss..	co2 emission over past 10 years
-----------------------------	-----------------------------	--------------------------------------	------------------------------------	--	--	--	--	---------------------------------

CO2 emission stories

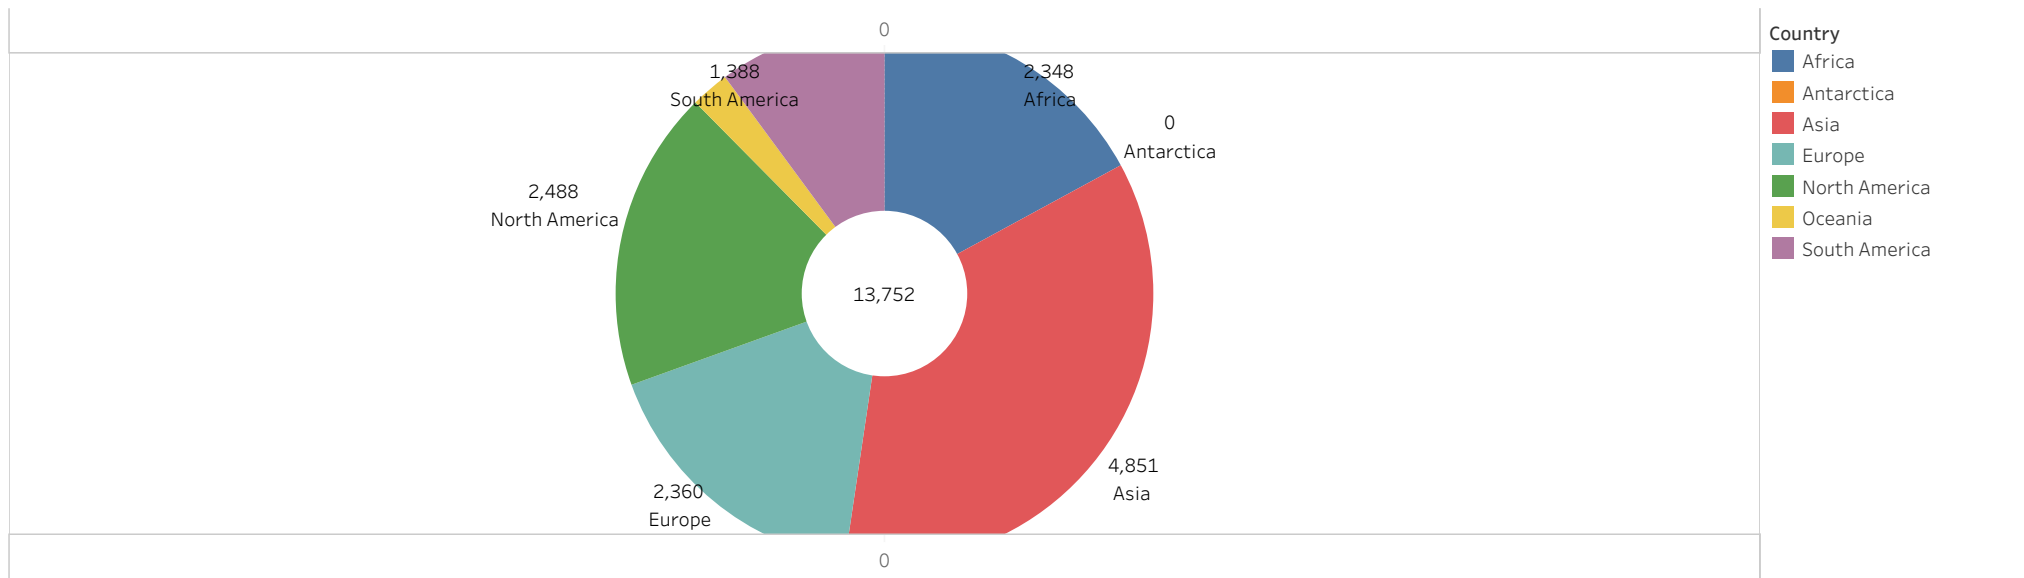

CO2 due to internal reasons	CO2 emission due to external reasons	continents contribution due to c..	continent contribution due to cement CO2 e..	continent contribution due to gas CO2 emissi..	continent contribution due to flaring co2 em..	continent contribution is due to oil co2 emiss..	co2 emission over past 10 years	co2 emission india vs united states
-----------------------------	--------------------------------------	------------------------------------	--	--	--	--	---------------------------------	-------------------------------------
